

Starter Deck [ST-4][ST-5][ST-6]

№	Q	A
ST4-04	Palmon	
	I attack my opponent using a Digimon with this card in its digivolution cards. If they block it with one of their Digimon, does this card's effect activate?	No, if you declared an attack against your opponent, this card's effect doesn't activate, even if they use another Digimon to block it.
	I attack an opponent's Digimon using a Digimon with this card in its digivolution cards, and use another effect to delete an opponent's Digimon card. Does this card's effect activate?	Yes, if you declared an attack against an opponent's Digimon, this effect activates.
ST4-06	Togemon	
	I attack my opponent using a Digimon with this card in its digivolution cards. If they block it with one of their Digimon, does this card's effect activate?	No, if you declared an attack against your opponent, this card's effect doesn't activate, even if they use another Digimon to block it.
	I attack an opponent's Digimon using a Digimon with this card in its digivolution cards, and use another effect to delete an opponent's Digimon card. Does this card's effect activate?	Yes, if you declared an attack against an opponent's Digimon, this effect activates.
ST4-08	Kabuterimon	
	Can this Digimon attack if I have less than 2 memory?	Yes, it can. Even if your memory counter moves to 1 on your opponent's side due to this Digimon's [When Attacking] effect, your turn doesn't end until the attack does.
ST4-11	MegaKabuterimon	
	I use this card's inherited effect to trash an opponent's Security Card. Does the security effect on that card activate?	No, [Security] effects only activate when flipped over from the security stack.
	My opponent has an empty security stack. If I have a Digimon with this card in its digivolution cards, and I use it to attack and delete an opponent's Digimon and survive, do I win the game?	No, this effect only trashes the top card of your opponent's security stack. It doesn't win you the game if it's empty.
ST4-12	Rosemon	
	I use this card's effect on an opponent's Digimon. Can I attack that Digimon if it's suspended?	Yes. The effect simply prevents the Digimon from attacking or blocking. You can still attack it.
	I use this card's effect on an opponent's Digimon. If that Digimon digivolves into a different Digimon, can it attack and block again?	No, the effect persists, even if they digivolve.
	I use this card's effect on an opponent's Digimon. If that Digimon activates an effect that allows it to attack other Digimon or players, what happens?	The effect preventing it from attacking takes priority. Your opponent's Digimon still can't attack.
ST4-14	Izzy Izumi	
	Can I use this card's effect when my opponent uses <Blocker> to suspend one of their Digimon?	Yes, you can.

No	Q	A
ST5-04	ToyAgumon	
	Does this card's inherited effect activate even if your opponent didn't have a Digimon in play for their entire turn?	Yes, it does.
	Does this card's inherited effect activate if you use effects to prevent your opponent's Digimon from attacking?	Yes, it does.
	Does this card's inherited effect activate if your opponent's Digimon were all deleted in battle after attacking?	No, it doesn't. They attacked this turn, so the effect doesn't apply.
ST5-06	Greymon	
	Does this card's inherited effect activate even if your opponent didn't have a Digimon in play for their entire turn?	Yes, it does.
